**SUES FOR HIS INTEREST.**

**Real Estate Deal Taken to Court for Adjudication.**

Charles W. Hewett has sued Walter F. Hewett, Rachel M. Webb and others for the sale and distribution of the proceeds of certain property called "Pretty Prospect."

The petitioner stated that he and the first-named defendant agreed in October, 1892, to become the purchasers of the property for \$30,000. Walter F. Hewett acting as sole purchaser.

Charles contributed one-half of the purchase-money, and was to receive a proportionate interest in the premises, and by the agreement he was to receive one-fifth of whatever sum might in the future be realized from the sale of the land above \$30,000.

Walter, it is stated, made a declaration of trust, setting forth the above facts, October 22, 1894. On the date of making the original deed, October 8, 1892, Walter executed a lease to Evan Lyons, of the property with the privilege to repurchase the premises for \$37,500, by June 1, 1893. Lyons did not exercise his privilege, it was said.

Charles claimed that Walter executed a deed of trust on the property, October 15, 1892, to secure the payment to Rachel M. Webb, of \$10,000.

The petitioner now asks the court to decree that he has an equitable interest in the property, and is entitled to \$15,000 from its sale.

## WINGED ARROW UNBROKEN

Columbia Club Ballies and Will Meet Its Indebtedness.

Sold Members Rally to Its Support and a Grand Bazar Will Be Given in December.

At a meeting of members of the Columbia Athletic Club, held last night, to consider the financial condition of the club, a finance committee was appointed and a guarantee fund started to meet the preliminary expenses of the bazar which it is proposed to hold in December.

The finance committee, as appointed, is: C. J. Bell, chairman; J. Maury Dove, James F. Hood, W. B. Hibbs, George E. Emmons, Alexander Grant and Guy M. Fague. This committee will evolve a scheme to take care of the indebtedness of the club and will report in January.

The total bonded and floating indebtedness of the club was stated to be \$120,000. The assets are \$32,000 in excess of liabilities. It is understood that a number of the bondholders of the club have agreed to accept in future 4 instead of 6 per cent on their bonds.

It is probable that certain real estate of the club will be offered for sale. Following the general meeting, there was a meeting of the board of governors, and the following executive committee on fair was appointed: J. Maury Dove, chairman, George E. Emmons, secretary, C. J. Bell, treasurer, and S. W. Steinmetz, on subscriptions and donations; Harry C. Moser, on decorations; Dr. W. B. King, on music and entertainment; W. B. Hibbs, on press; George Gibson, on printing; Alex. Grant, on reception; R. V. Bennett, on refreshments, and J. F. Hood, on auditing.

## SEARCHING FOR A SITE.

Mr. Warfield Trying to Find a Place for the Second Crematory.

Contractor Warfield is engaged in the effort to secure an eligible site in the northwest section of the city for a garbage crematory.

It is a condition of Mr. Warfield's contract that there shall be two crematories constructed, the site for one being definitely located at the foot of South Capitol street, and the other to be placed at a point on Rock Creek, in the vicinity of the M street bridge.

Should a third be necessary, it will probably be placed on Florida avenue, between First and Fourth street, or if more advantageous the second will be located on the place last designated.

It is to decide upon a proper site that Mr. Warfield is now canvassing both sections. He was at the District Building to-day, and declined, in response to a query, to state whether or not he had succeeded in selecting a location.

## WANNECK SENT TO JAIL.

He Is Accused of Selling Brickbats for Rat Poison.

Oscar Wanneck, indicted by the grand jury a few days ago for false pretenses, and afterward apprehended in Richmond, Va., was brought to this city to-day and committed to jail by Judge Cole.

Wanneck said he was unprepared to offer bond. He is the man who, as previously told in The Morning Times, made several firms of this city the alleged victims of a swindle, in which he sold brick dust for rat poison and insect destroyer.

A young woman said to be his wife called upon Wanneck at the marshals' office before he was taken to jail.
